Clothes for Home, Clothes for School

What do we wear? School Uniforms. Clothes to relax in.

Activity One: With your partner, ask and answer the questions below.
- What do you usually wear for school?
- What do you usually wear when you are at home?
- What are your best clothes for special occasions?

Activity Two: Quick Drawing
Quickly draw (in the time you are given) an outfit you would wear for a certain occasion. Then show it to the class and they have to decide what you would wear it for!

Activity Three: Fashion Show
Stand up and walk around as if in a fashion show. The other students have to write down what you are wearing and then see if they could name everything!

Activity Four: School Uniform.
Did you know that in some countries children wear uniforms for school?
These are the types of things people wear for school uniforms.
- Polos.
- Shirts.
- Jumpers.
- Pants.
- Skirts.
- Shorts.
- Sweaters.
- Ties.

Can you think of anything else?

Activity Five: Design a school uniform.
With a partner, design what you think would be an ideal and practical, fashionable school uniform which you could wear. Then we will show the class and describe your design and we will vote on the best design.

Activity Six: Class vote: for or against school uniform.
Let's see which of you would prefer to wear a school uniform. First let's discuss some arguments for and against wearing school uniforms.

Activity Seven: Seasons and clothes. In a team brainstorm...
What kind of clothes do we wear for…
Sports in winter
Sports in summer
Spring walking in the countryside
An autumn day out with friends in town.

Activity Eight: Bodies and clothes.
Which clothes do we wear on which parts of our bodies? Team game, see who can write
down the most items in the time given after each body part your teacher names and shows.

Extra Activities:
Label the image below or copy it out and label your drawing.
